

Activity Programme		
Schedule	Activity	Formal and Informal Learning Methods Used
DAY 0 (Thursday)		
in the morning and in the afternoon	ARRIVALS - August 23th - to 18.00	Individual welcomming of participants.
dinner and after dinner	Dinner	
	Local guiding	Individual welcomming of participants. Guiding participants in the hotel and in the local village Gorišnica.
	Welcome & get2know	Welcomming the participants and their mutual introduction through guided ice breaking games.
DAY 1 (Friday)		
in the morning	Official Greeting and Introduction	Greeting and adressing the participants - youth workers/leaders, short summary of the project and get2know.
	Individual Public Speaking (presentation of the NGO-s)	Learning the manner and purposes of public speaking through interactive conversation among participants and the trainer. Learning the ways of verbal and nonverbal communication and the use of those elements in public speaking. The drill of individual public speaking will include presentation of partner organisations (NGO-s) accodring to the method of 1 or 2 minute speech - so called "Elevator speech" technique.
	Youth Unemployment - Facts and Good Practices	Exchange/inspection/presentation of facts (problems and challenges) and proposals ot the theme unemployment among youth and the theme of young people from disadvantaged areas (good practices of solving this problem, encouragement of creative thinking in searching ways of sreducing those problems).
in the afternoon	Group Public Speaking	Teamwork and group speaking: participants will present potential of international cooperation among participating organisations in the future in the field of searching for solutions of problems, which youth unemployed youth and youth from areas with fewer opportunities are facing.
	Workshops - how to prepare and conduct	Learning methods of preparation for workshops and working methods with unemployed youth and youth from disadvantaged areas. Interactive debate will be presented and given with examples by the selected experienced youth trainer. Meeting different ways of conducting workshops - the use and the preparation of tools. Sharing experiences and knowldge among participants - youth workers and trainers. Interactive debate will be presented and given with examples by the selected experienced youth trainer.
after dinner	Free Evening in the City of Ptuj	Participants will be able to freely learn about "city life" in a small town Ptuj, which is important administrative, employment and cultural center of subregion Spodnje Podravje (including Haloze). The tourist map with marked cultural attractions, that participantsc will be able to see - if desired, will be available to participants - namely Ptuj and surrouding area has yet unused potentials for creating jobspots - especialy in tourism.
DAY 2 (Saturday)		

in the morning	Tour - Good Practice Example 1	Participants will have a chance to visit good examples of setting up businesses in rural areas, which was launched by a young unemployed person / group. The purpose of the tour is to give participants a better look into practice of creating jobs - about the beginning of developing and implementing a "business" idea into practice, about the chosen entrepreneurship/organisational form, on current operating of the company/organisation and its results until now, their vision and future plans, etc. By giving the chance to ask questions we want to encourage interactive discussion between the representatives of the selected company/organizations participants. The aim is to encourage and motivate participants to engage in creative, but also entrepreneurial mindset to meet the challenges by creating jobs and finding solutions to the problems to which unemployed youth and young people from disadvantaged areas are facing.
	Tour - Good Practice Example 2	We will visit also a good example of setting up a social enterprise, with which jobs for unemployed youth were created. The purpose and objectives are similar to those already mentioned.
in the afternoon	Tour - Good Practice Example 3	Important opportunity for creating jobs in rural areas are in producing food - participants will visit a good example of creating a job or more jobs for young people on the farm.
	Walk'n'talk in the city (Maribor)	We will use "walk'n'talk" method in order to encourage discussion between participants about the topic of creating jobs for young people (in disadvantaged areas) and their experiences about working with unemployed youth and youth from disadvantaged areas between participants.
dinner and after dinner	Dinner out in Romani kafenava	Romani kafenava is a social enterprise which was founded by Association EPEKA. A group of Gypsies will prepare for participants a cultural and fun dinner with their traditional music.
	Participants evening	Participants will plan how they will spend their evening. We will encourage them to spend it in a way, so they can meet each other better and find common interests. That way maybe new partnerships/projects between participating organisations can be proposed in the future.
DAY 3 (Sunday)		
in the morning	Preparation of the Workshop for an Actual Implementation	The purpose of this workshop is to encourage participants to apply learning outputs, which they already gained in this training course, into practice. Participants will prepare the design of the workshop, which will be dedicated to the unemployed youth and young people from disadvantaged areas and will also be conducted within this project in Haloze and Ptuj area. Workshops will have to be planned in such way that the participants of the conducted workshop (unemployed youth and young people from disadvantaged areas) may gain additional knowledge or skills. At the workshop the participants - youth workers will be able to get feedback from trainers, co-participants and their participants on the conducted workshop.
	"I (Don't) Know, You Know"	The workshop is aimed at mutual learning, cooperation and mutual assistance between the participants (youth workers) in the practical preparations for the workshop, which will be carried out by each group. Trainers will assist and link the participants, which can share their knowledge and experiences to other participants. The aim is to recognize and define lack of skills that the members of a certain group would like to improve for conducting their workshop. Participants from other groups, who will be skilled, will be able to help each other to win them. Among other things, we apply to assist in fine arts, digital and other skills.

in the afternoon	Workshop Simulation	Different groups will develop different workshops because each group will prepare a workshop for different age (primary school, secondary school) or status (student / unemployed) group of the participants. Therefore, the aim of this workshop is to present their concepts of prepared workshops to other groups of participants - youth workers, who will be exchanging their opinions, advices and suggestions for improvement.
	Walk'n'talk in the village (Haloze)	To "walk'n'talk" in the village we will invite members of the local youth organisations. We will encourage discussion between participants and members of the local rural youth organisation to discuss about opportunities for youth from rural areas. That way both, participants of the project and members of the local youth organisation, can gain new experiences and motivation.
after dinner	Active in the village	Socializing and getting to know the local (cultural) environment and local people during fun sports games (eg. Fire and peasant games) outdoors, which will prepare EPEKA together with local youth organisations.
DAY 4 (Monday)		
in the morning	Workshop Implementation	Groups of participants who will prepare a workshop, will carry it out in different places with different groups of participants. Each group will be accompanied by a local native and one trainer who will provide assistance and support to a group of participants on the project - youth workers/leaders.
	"Feedback" on conducted workshops	After conducting workshops, project participants - youth workers will share their experiences during the workshop and get feedback from workshop participants and the trainers - directions / suggestions that should be taken into consideration in the further implementation of workshops for unemployed youth or youth from disadvantaged areas. We will also film the "performance" of conducting the workshop, so project participants can learn from watching it.
in the afternoon	Self-promotion	Guidance and counseling for participants - youth workers/leaders regarding the promotion of innovative and creative forms of self-promotion of young unemployed people and young people from disadvantaged areas.
	Individual Support	Learning the manner and methods of individual support for motivating of individuals - unemployed youth and youth from disadvantaged areas - on active citizenship and reaching career goals. Interactive debate will be presented and given with selected examples and experiences of project participants and trainers.
dinner and after dinner	Intercultural Evening	Participants will be asked to prepare and manage an intercultural evening, which will be dedicated to learning about different cultures of participating countries.
DAY 5 (Tuesday)		
	Preparations on round table	participants will prepare statements and questions on the topic of round table "Youth Unemployment -Challenge/Opportunity for Youth Workers?".
	Youth Unemployment - Challenge/Opportunity for Youth Workers? (round table)	Round table with representatives of Employment service of Slovenia, Ministry of Labour, Family, Social Affairs and Equal Opportunities, Social work center and with representatives of the project "Fair Employment" and "Inkubator 4.0", which are aimed at educating / training / guidance and training of unemployed youth in Europe. Main aim of conducting the round table is to introduce the needs of young unemployed people and young people from disadvantaged areas, determine the possibilities to meet their needs and to exchange experiences/practices about methods of work with mentioned young people in practice.

in the afternoon	Future Professions	Detection, identification and familiarization of participants with professions, which are and will be looked for in the future and the workshop on this topic, which would be prepared with some help from dr. Sabina Žnidaršič Žagar from Career Center of the University of Ljubljana.
	Evaluation and Completion of the Project	With a pre-established questionnaire, the participants of the project (youth workers / leaders) will be able to share their experience, evaluate the project (accommodation, staff, food, implementation of workshops, information given, work of trainers and organizers, etc.), suggestions for improvement, etc. The questionnaire will allow additional comments / messages that will be presented by participants. Trainers will encourage organizations to co-operate (both nationally as well as internationally) on projects, that relate to the problem addressed "youth unemployment" and the problem of deficit of opportunities for "young people from disadvantaged areas".
	Introductions for creating the youthpass & arrangements for travel reimburse and departure	Trainers will introduce to the participants where and how they can fill out and create the youthpass with gained skills by attending the TC. Participants will also have time to arrange travel documents with staff of applicant organisation.
dinner and after dinner	Farewell Evening	A group of Gypsies will prepare a cultural and fun farewell dinner with their traditional music for participants.
DAY 6 (Wednesday)		
breakfast	Breakfast	
in the morning and in the afternoon	DEPARTURES - August 29th - check out: 11:00	

Other/daily activities:	Rise & Shine	Each morning will participants from one or two countries prepare an "Rise & Shine" - morning workout - activity (for example active energizers) for other participants and trainers. "Rise & Shine" activity
	Reflecting on the Previous Day	Recognition, identification and definition of learning outcomes of formal and informal learning from the previous day. Participants will be encouraged to reflect on the day immediately after the workshop, but we want the outcomes to be repeated/defined after a break - next morning. Reflecting taking place in a group, during a guided conversation.
	"create a job" (presenting example of good practice)	We will invite young entrepreneur, who succeeded to create their own jobspot (if possible at disadvantaged area) or organisation for working with unemployed youth or youth from disadvantaged areas.
