Project Dates: 21.01.2018 – 28.01.2018

Brief Description:

"Intercultural Boiler Project is an Erasmus + KA1 Youth Exchange Project created by an informal youth group named Bridgehead Masters. The Project is created as a follow-up Project of “KAZAN” Project which was approved by T.R Ministry of Interior Department of Association. Intercultural Boiler Project was developed to contribute of waking up the forgotten kitchen culture of Europe. Under the frame of Project, 7 participants and 1 group leader from Turkey and 5 participants and 1 group leader per Spain, Italy, Lithuania and Bulgaria will involve in project. 32 participants will take role in the project. Participants will be between 18 and 30 years old. The Project will be organised between 21-28 January 2018 dates in Duzce, Turkey. Participants will benefit from the Project on the aspects of knowledge, skills and competences. While participants presents their own kitchens to other participants they will also get information about other kitchens. The Mixed Menus created during the activity dates will be added to Kazan Restaurant’s menu and locals' people will be informed about the Project. During the Project activity programme non formal education techniques will be applied. In this way participants not only get information about European Common Heritage but also get chance to develop intercultural learning process."

Who Are We?

We are an informal group which works under the frame of an Association named “Köprübaşı Ömerefendi Köyü Kalkındırma Derneği”
