During regular meetings the members discuss current domestic and foreign issues concerning politics, economy, social matters, youth problems, etc.

The project:

Our project is a cultural youth exchange entitled Count me in! Volunteer!. These are our main areas of focus: volunteers and social workers. We are hoping these two will drive us towards a more famous on volunteers and international partnership field.

The exchange will take place in a cosy hostel in Zakopane during 7 days of September 2017. We will have 40 participants from 5 countries: Hungary, Lithuania, Italy, Bulgaria and Poland.

The activities will be conducted using many various methods. We will have integration games at the beginning, these will be followed by some informal learning during workshops on culture with a trainer, we will seek for inspirations outdoors and also try to create something ourselves given our artistic talents. There will be also a lot of time for friendships, fun and sport moments.
