The organizers:

Stowarzyszenie Inicjatyw Europejskich "ACTIVE" (European Initiatives Association "ACTIVE") is a non-profit NGO organisation. It was founded in June 2010 in Kielce. It is composed of young people, mostly students from various parts of central Poland, which is the main area of organisation's activities. At the moment there are about 15 active, registered members and many supporters. The main goals of the association are: organizing european youth exchanges, improving co-operation of young Europeans and their organizations, creating and carrying out various local and regional initiatives, assisting in the process of European integration, working with youth from poor, defavourised regions, co-operating with cultural and scientific institutions in Poland and abroad, promoting: democracy and citizenship development, tolerance, free market economy, cultural heritage, sports, healthy lifestyle and ecology. During regular meetings the members discuss current domestic and foreign issues concerning politics, economy, social matters, youth problems, etc.

The project:

The "Voices of Europe" is a youth exchange, which is based on the european cultural dialogue. The activities planned during the meeting to deal with prejudices and stereotypes about our countries to improve and enhance our relations. The meeting is scheduled for September/October 2017 in the picturesque mountain village of Murzasichle. A group of young people planned a series of workshops, theater and dance, group discussions, language lessons just to present the local audience prepared to present our common history. In addition, each of the participants undertook to prepare and work on a report of the local population in Latvia, Lithuania and Poland with the knowledge and opinions on the relations between our countries. Working together in international company on the arrangement and presentation of a report series will be the result which will be long after our activities through the promotion materials from the project in the channels of web and social networks. Our goal is not only integration, improving contacts and relations between our countries, but also to promote the ideas and principles of the Erasmus +, not only in our country but all over the world in a way that other states drew inspiration from our attitude..
