ABOUT THE YOUTH EXCHANGE

The youth exchange *Animate your prejudice*, which will be held in Črnomelj, Slovenia will include 36 participants and group leaders. It will take place in March 2019. Main aim of the project is to produce a short animated film. The theme of the film will be the refugee crisis. The film will present the way of ending all the hate speech, bigotry and intolerance, which have been on the upswing since the beginning of the refugee crisis. The project will tackle the issues of stereotypes in general and then search for the cause of hatred towards foreigners and refugees. We will also try to come up with some new possibilities how, when and where is the right opportunity to reach the point of solidarity and tolerance. As we want to spread our ideas and findings creatively, we will present it in a form of an animated film. This project is a chance of a creative approach to this specific problem in our environment, which is getting more and more polluted with the animosity towards strangers.

PARTICIPANTS DO **NOT** NEED ANY BEFOREHAND KNOWLEDGE ABOUT ANIMATION TO PARTICIPATE IN THE EXCHANGE.

ABOUT SLOVENIA AND ČRNOMELJ

Slovenia is located in southern-central Europe, at the crossroads of main European cultural and trade routes, between Alps and Adriatic Sea, with the capital and biggest city, Ljubljana. Population of Slovenia is little bit more than 2 million people. Since 1 of May 2004, Slovenia is also part of European Union, and the official currency is € (euro).

This small municipality has around 8000 habitants, surrounded by a special types of trees called Bela breza (*Betula pendula*) along with the river Kolpa, which makes this town great place to visit in summer, where are many camps, where you can explore nature and her attractions, do a lot of sport activities (swimming, diving, canoeing, cycling, climbing..), or visit some of music festivals.

On the other side, **Bela krajina** is known as a wine region, with a lot of farmers producing their own wine, what is making this region even more richer in cultural and traditional aspect.

Belokranjska pogača (home-made bread), is certificated protected food, which comes also from this region, and it's served almost at every meal.
