

# LEAD UP!

03/10/2022 – 12/10/2022

LEADERS ARE THOSE WHO EMPOWER OTHERS

---

## THE PROJECT IN FEW WORDS

In the past two years, Kora and its partners have been involved in a large number of youth mobilities. Even though each project has its own lifecycle, a common pattern started to appear, when comparing outcomes and experiences from different projects: the **involvement of group leaders** during the different phases of a youth mobility is much related to the **quality** of its outcomes. The group leaders are often not involved properly in the preparatory phases, and, in practice, too often the person in charge of most of the activities is a facilitator. This dynamic undermines the strengths of **peer-to-peer learning** and **non-formal education**, and can lead to situations where participants feel like a teacher-pupil relationship. Through previous partnerships, organisations realised once again that the youth leader plays a **key role** in the different phases of a youth mobility. That is why *Lead up!* wants to put the **youth leaders on the spotlight**: they should be the centre and the focus of a real non-formal education experience. The peer-to-peer learning process needs experienced youth leaders that can facilitate the inclusion and the active participation of young people.

In one sentence, **the goal of *Lead up!* is to improve peer-to-peer learning in youth mobilities by enhancing the involvement of group leaders in the activities.**

## MAIN SUBJECTS

- Youth work
- Non-formal education
- Peer-to-peer learning

The farm gives great importance to self responsibility and respect of nature. Some ground rules will be given during the stay, in order to respect the place, inside and outside, to respect people living in the surroundings, to respect the animals, to control the environmental impact (water, electricity...) and to create a safe and enjoyable environment for the whole duration of the project.

The address of the farm is: Via Campagna 26, 06065 Passignano sul Trasimeno, Italy.

## PARTICIPANTS

*20 participants in total*

Participants have to be youth workers that already **working** in the organisation or **active members** who are willing to be more involved (but are missing some competences) or **youth leaders** of previous youth mobilities who wants to improve their skills for their future involvement in the organisation. The main point is the **commitment** of the youth worker to be involved with the organisation in future projects. The commitment of the participant has to be a priority during the selection. Youth workers will bring back from the training course **skills and competences** that can be shared and used in the activities of the organisation.

Listing the various criteria of selection:

- **Motivation** regarding the **topic** of the training course (will to improve facilitator skills, wider knowledge on non-formal learning...);
- **Motivation** in being involved in the organisation for **future projects**;
- Good level of **English**, at least to understand everything and be able to express oneself on any topic
- **Commitment** to organise a small **dissemination event** after the training course.

Even though it is not a primary requirement, it would be appreciated if the youth workers participating in the training course belong at some level to the **category of fewer opportunities**. It is not mandatory, but partners are asked to check that on candidates, and, if similar conditions are given among more candidates, prefer to involve youth workers with fewer opportunities.

## TRAVEL REIMBURSEMENT

It is fundamental that you keep all your **original travel documents**: bus and train tickets, invoices, boarding passes... **The reimbursement cannot be done without these documents.** Participants will be reimbursed up until a maximum amount granted by the European Commission.

Consider that taxis and first class tickets cannot be reimbursed.

When you buy your tickets make sure you don't exceed the following amount, or you will pay the difference yourself. Buying tickets in advance will help you avoid that scenario.

**\*IMPORTANT:** If you are travelling with **RyanAir** and you use their app for the boarding pass it is essential that you make a screenshot of the boarding pass before the departure. That is because the boarding pass will disappear from the app once the flight lands.

*Maximum reimbursement per distance (the distance band is calculated from the official address of the sending organisation and the hosting location):*

Distance	Standard Travel	Green Travel
0 - 10 km	0 €	0 €
10 - 99 km	23 €	23 €
100 - 499 km	180 €	210 €
500 - 1999 km	275 €	320 €
2000 - 2999 km	360 €	410 €

Participants will be reimbursed after the end of the training course, once they provided all the original travel documents, including the train, bus and shuttle tickets of the return trip, which have to be sent by post if they are not digital. Further and detailed instructions will be given during the project.
