## THE VENUE

One of the venue of the Project is **Kazimierz Dolny** - in central eastern Poland, on the right (eastern) bank of the Vistula river in Puławy County, Lublin Voivodeship. It is a considerable tourist attraction as one of the most beautifully situated little towns in Poland. It enjoyed its greatest prosperity in the 16th and the first half of the 17th century, due to the trade in grain conducted along the Vistula. Since the 19th century it has become a popular holiday destination, attracting artists and summer residents. Kazimierz Dolny is an art center in Poland. Many painters retreat to this small town to paint and sell their work. Galleries can be found in almost every street, offering for sale sculptures, stained-glass, folk art, and fine art.

The second place of the venue is **Lublin** - the largest Polish city east of the Vistula River, and is located approximately 170 kilometres to the southeast of Warsaw by road. Lublin also serves as an important regional cultural capital. Since then, many important international events have taken place here.

### **WHAT TO BRING?**

Since there is going to be an international evening, we will ask you to bring something traditional, famous or delicious from home - that you would like to represent your country with, and share with the others e.g. food, or drink. During the autumn, weather in Poland is generally cold, so we suggest to bring waterproof jackets together with some warm clothes.

### **ACCOMMODATION AND FOOD**

During the mobility's participants will be accommodated in places located in Kazimierz Dolny and Lublin.
