Hello there! Welcome to the project “We matter” about the youth participation in democracy, where youngsters from five different countries will learn together how to become an influential part of the decision-making process of their communities in this eight days-long exchange in the beautiful town of Benicàssim, Spain.

This infopack provides all the necessary information about the project and will be a central piece of the project. Read it carefully!

## 1. THE PROJECT

Democracy is not only the political system of the European Union. It is the very essence of European nations contemporary and the basis of our societies. Support for democracy is precisely one of the few consensuses which has remained unchanged since the foundation of the Union. Today, democracy enjoys support unquestionable throughout Europe. But it is not something we should take for granted. According to Winter 2020/2021 Eurobarometer, 44% of Europeans are dissatisfied with the way democracy works. This fact has serious consequences in real life; data from the Democracy Index compiled by "The Economist" point to two EU member countries, Poland and Hungary, as those that have experienced the greatest decline in democratic practices and values in 2020.

Our democracies have to deal with the rise of extremist political and social movements and with growing interference by foreign powers. All this while we adapt to the opportunities, but also to the risks, presented by long-term developments, such as new information and communication technologies, deep sociodemographic changes and the alteration of traditional value systems. In this context, it becomes imperative to take a moment to reflect on the meaning of democracy and how to preserve and improve it. That is especially necessary for young people, who make up a group that is often underrepresented in the decision-making process and which in many cases suffers additional disadvantages, such as worse conditions economy and high unemployment.

The intention of this project is to create a forum where democracy can be debated from a youth. Its specific objectives are:

- Clarify ideas about democracy, debating its basic concepts.
- Promote debate about the type of democracy that young people want.
- Raise awareness about the dangers that threaten our democracies, especially those derived from the misinformation and populism.
- Provide youth with the knowledge, tools and attitudes necessary to become active actors and effective in their democracies.

## 6. HOW TO REACH BENICÀSSIM

Benicàssim is quite well connected to major cities and therefore fairly easy to reach. The closest airports are Barcelona (El Prat airport), Valencia (Manises) and Alicante (Alicante-Elche). Other less recommendable options are Madrid (Barajas Adolfo Suárez airport) and Castellón (Castelló-Costa Azahar). Here you can find instructions on how to get to Benicàssim from each of these airports. But first, some important information!

- **Activities will begin on November 13th at 09:00 and finish at 19:00, November 20th.** You must be on Benicàssim between these two hours. Accommodation and food will be provided at Hostel Argentina from November 14th till the end of the exchange.
- **The easiest way to go to Benicàssim is by train.** Once you get to Benicàssim, the hostel is 2.2km away from the train station. You can either go by foot (about 30 minutes walk) or by taxi, though this option will not be reimbursed.
- **Ask us!** If you have any doubt or problem or need any advice, don't hesitate to contact us ([galvany.creanteuropa@gmail.com](mailto:galvany.creanteuropa@gmail.com)).

### About Benicàssim/Benicassim

Benicassim is a seaside town in the province of Castellón. Given its ideal location on the Mediterranean coast, it is the perfect spot for stunning views, pleasant sunshine and good music. Benicassim has a 6-kilometre coastline, divided into five beaches. In addition to the sea views, you can admire the breathtaking scenery of the natural park called Desierto de las Palmas, which shows the perfect harmonious environment between the sea and the mountain and offers an incomparable panoramic view of the coastal area of Benicàssim.

Close to Benicassim is Peñíscola, another seaside town which has one of the loveliest views of Spain. It is surrounded by the sea and overlooked by the emblematic Castillo del Papa Luna.

During the exchange, we will celebrate outdoors as many activities as possible and ensure proper ventilation whenever we can't. Thankfully, the weather will likely help with it. The organizers will provide all the necessary sanitation material, such as hand sanitizer and masks.

### 9. WEATHER

Weather in Benicàssim in November uses to be mild. Expect day temperatures to rise way above 20 degrees and night temperatures to be around 10 degrees. You can check the forecast on:
